I finally have completed the review of the Conference evaluation sheets from the Region X Conference in Martinsburg. Sixty-two of the attendees (Total = 85) completed the evaluation. Overall the Conference was a full success. I have attached a detailed summary of the various categories listed on the evaluation sheet. Some of the comments are repetitive but I wanted to list each one so that the summary fully reflected the feelings of the attendees. Also, I made my best effort to read each person's handwriting and transcribe the comments verbatim.

You will notice that several of the comments are preceded with the notation "HILTON" which indicates issues that should be addressed by the Hilton Garden Staff.

If you would like to meet at some point in the future to discuss/clarify some of the comments, I am willing to come to Martinsburg. My contact information is shown in the letterhead.

Many thanks to you and the staff at the Hilton garden Inn for making the 2017 NARFE Region X Conference a complete success.
