### Online Activities Module

[ENTER](#)

NARFE Headquarters is constantly working to improve the timeliness and quality of the information it delivers to federation and chapter officers. For several years, it has offered monthly membership and financial reports through the website. Now in addition to the online reports, NARFE HQ has implemented a new Online Activities Module (OAM), that provides membership information on demand. This sophisticated online service is designed to perform intricate tasks with a simple click of a button. [READ MORE](#)

Please [CLICK HERE](#) for list of officers who have access to the Online Activities Module (OAM). Download [Powerpoint Tutorial](#).

**NOTICE:** The OAM database server is scheduled for maintenance every Wednesday evening from 7PM - 11PM and Sunday morning from 7AM - 11AM Eastern Standard time. The OAM will not be available during scheduled maintenance.

### Online Reports Module

[ENTER](#)

For several years, NARFE has offered monthly online membership and financial report through the NARFE website. These reports, formerly printed and mailed to each chapter and federation, contain the information necessary to manage federation and chapter membership and financial reports. In these reports you will find the L-103, M114, M112, M111, M110, A220, M-130, W-101 etc.
